

TERMS & CONDITIONS

Last Updated: 07/12/2025

Welcome to Prop Accelerator. By subscribing to this service, you agree to the following Terms & Conditions. Please read them carefully.

1. Service Description

Prop Accelerator provides digital educational content, community discussions, system guides, and private membership access focused on prop firm trading strategies. This service does *not* provide financial advice, investment recommendations, or signals.

2. Subscription & Billing

By joining, you authorize LaunchPass/Stripe to charge your selected subscription fee on a recurring basis (monthly or annual, depending on your plan). Your subscription will renew automatically unless canceled prior to the renewal date.

3. Digital Delivery

All content is delivered digitally through our private Telegram/LaunchPass community. You are responsible for maintaining access to your login credentials and Telegram account.

4. No Financial Advice

All information provided inside Prop Accelerator is for educational purposes only. Nothing inside the community should be interpreted as financial, trading, or investment advice. You are solely responsible for your trading decisions.

5. Intellectual Property

All videos, texts, frameworks, systems, documents, and teaching materials inside Prop Accelerator are owned by the creator. Redistribution, resale, or sharing of the content outside the community is strictly prohibited.

6. Community Conduct

Members must treat other members respectfully. Harassment, spam, or attempts to promote external products/services will result in removal without refund.

7. Account Sharing Prohibited

Each subscription grants access to one individual. Sharing your account, re-posting content, or leaking materials results in immediate termination.

8. Cancellation Policy

You may cancel your membership anytime via LaunchPass. Access continues until the end of the current billing cycle. Cancellations take effect at the next renewal — not retroactively.

9. Refunds

Due to the nature of digital products and immediate access, all subscription payments are final (see Refund Policy below).

10. Modifications

Prop Accelerator may update these terms at any time. Continued use of the service indicates acceptance of updated terms.

Because Prop Accelerator provides instant access to digital content, private communities, and proprietary educational materials, **we do not offer refunds** for any subscription payments.

2. Subscription Renewals

All recurring payments are non-refundable. You may cancel your subscription at any time, and you will retain access until the end of your billing period.

3. Accidental Purchases

We cannot refund accidental purchases, forgotten cancellations, or unused time. Please manage your subscription through your LaunchPass settings.

4. Unauthorized Access

If you believe your payment was made fraudulently or without authorization, please contact your bank or payment provider immediately to dispute the charge.

5. Service Quality

We strive to maintain a high-quality educational community. If you experience technical issues, contact us directly and we will assist with troubleshooting — but refunds cannot be issued.
